Volunteer Impact Metrics

6 community partners benefited from volunteers support

Approximately 91 volunteers showed their support

Volunteered an approximate total of 235 volunteer hours

An estimated \$5,810 philanthropic impact

\$910 donated directly to community partners

This means a roughly \$6,720 TOTAL philanthropic impact!

Service Project: Environmental Sustainability in New Orleans

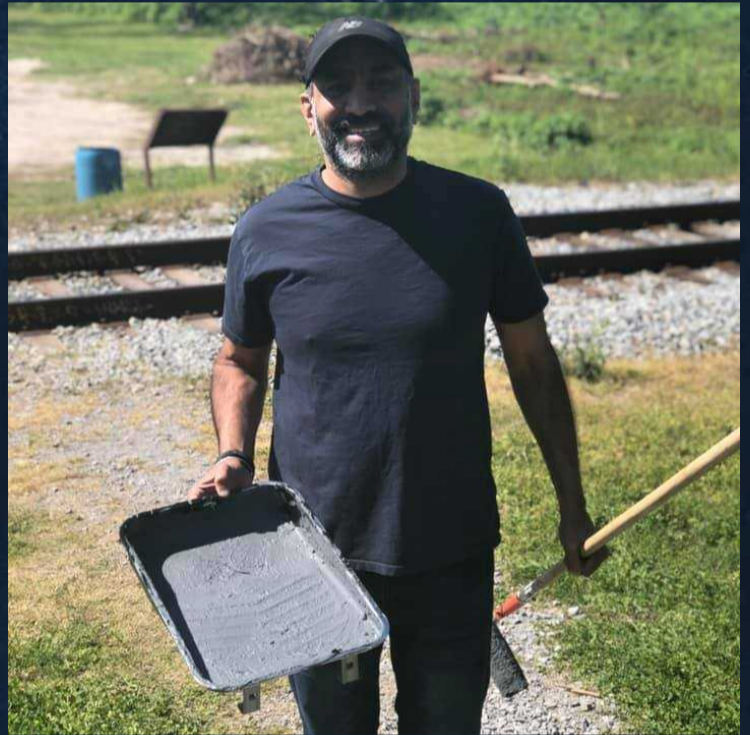

Lower 9th Ward Center for Sustainable Engagement and Development

Recirculating Farms

"Thanks to these volunteers, we got work done in one afternoon that would have taken weeks. We really appreciate the support!"

-Marianne Cufone, Recirculating Farms

Service Project: Environmental Sustainability in New Orleans (Contd.)

Edible School Yard (September 19th)

Sankofa (November 7th)

"The GitHub team had a great attitude and work ethic! Thank you so much for your sweat and service!"

-Emily Neustrom, Network Garden Manager

Service Project: Environmental Sustainability & Youth Development in San Diego

YMCA Camp Surf

"We had such a great time working with GitHub! Keep up the amazing work!"

-Katie Feucht, Volunteer Coordinator

Service Project: Housing & Homelessness in Washington, D.C.

Housing Up

"The experience was memorable for both the volunteers and our organization because many of the volunteers were international. Housing Up has never had international volunteers, we really benefited from the perspective they brought during our volunteer orientation and discussion on homelessness. We appreciated everyone's time and labor."

-Dillon Ficca, Manager of Community Engagement and Volunteer Programs, Housing Up

Thank you for helping us in our mission to build the ultimate volunteer network!
